LOOKING FOR SOME UNIQUE INTERIOR INSPIRATION? LOOK NO FURTHER
THAN THE ELEGANT TEDDINGTON SHOWROOM OF JENNY BLANC

Jenny Blanc is one of those best kept secrets, loved and admired by all those in the know. Located on Teddington High Street, where their showroom window often stops passers-by in their tracks, they are a destination for all things stylish and beautiful for home interiors and gifts. Mention Jenny Blanc and you will hear comments such: "This is so inspiring.", "I've been looking for something different like this everywhere.", and: "I've never seen another showroom like it."

Following the creation and opening of Le Manoir aux Quat' Saisons in Oxfordshire with her former husband, Raymond Blanc and The Maison Blanc Patisserie chain, Jenny Blanc, together with Chrissie Marshall, set up their beautiful lifestyle showroom in 1996, followed by a second design showroom in Barbados in 2011. The Teddington address is also the base for the internationally renowned Design Studio from where all projects, UK, Caribbean and elsewhere in the world are executed and coordinated by a team of experienced and talented designers, led by Design Director, Sue Thomas-Richardson and Jenny Blanc.

The elegant showroom is the perfect place for all those final touches needed to make a house your own. Each piece has been carefully selected by Jenny to meet her exacting standards for style and quality. There are beautiful cushions and throws, exquisite glass, a wonderful choice of all things practical and beautiful for dining and dining, unique ornaments and objets, fabulous scented candles and fragrances, photo frames and bedroom and bathroom accessories. You will also find a range of Jenny's comfortable own brand sofas and dining chairs plus a carefully selected collection of furniture, lighting,

mirrors and artwork. There is a huge library of the best fabric collections with a curtain making and upholstery service.

If you are finding the process of decorating your home time-consuming and complicated, the unique Room-by-Room service is designed to make this process trouble-free. Run by Chrissie Marshall, the Showroom Director, and the showroom team, it helps you decorate your home one room at a time.

Jenny Blanc also offers a highly personalised, bespoke Wedding List service designed to help any couple make their selection and to

simplify the present buying process. Gifts selected from the showroom will always be exceptional and will grace a home for a lifetime. If preferred, friends and relatives can make a part contribution towards the more expensive items and gift vouchers are also available.

If your home needs a lift, if you are looking for a unique gift for any occasion or if you just feel like treating yourself, make your way to Jenny Blanc.
