

Beautiful rooms, bright ideas

Simply step inside Jenny Blanc Interiors in Teddington

With the current trend for everything self-service, it's increasingly difficult to find expertise and advice for free. At Jenny Blanc you will not only find the most luxurious of wallpaper, fabrics and furnishings, you will also find a team of friendly, highly experienced designers who are all on hand to advise you.

Room by room service

Don't know where to start? Their experienced designers can do all the thinking for you, one room at a time, as and when suits you. They find out what you like - and don't - and come up with schemes

The Room by Room Service is excellent. On an attainable budget, Jenny Blanc helped me create two beautiful rooms

Kate C

and ideas for you to consider. They then source everything for you and organise reputable contractors if needed.

Help with a scheme

Stuck for ideas? The very latest fabric and wallpaper collections can all be a helpful starting point. Bring any cuttings from magazines or samples of colours you like and they can help to take your ideas further.

Window dressings

Choosing the right curtain styles and fabrics takes some

experience and knowledge. Take in a picture of your windows and they will advise you.

Finding the best

Jenny Blanc has an exquisite eye for detail and a knack of choosing sumptuous furniture for comfortable living. To make any room complete you will find beautiful rugs, elegant bathroom accessories, pretty touches for the table and, of course, the best room fragrance and candle collections this side of London.
