

The

ENGLISH HOME

Celebrating the essence of English style

February 2015 | Issue 120 | £3.99 | UK Edition

ADD HEART TO A HOME

Inject new character with details and display

Homes with
good bones

How to recognise & restore

Decorative inspirations

- The new boho flavours
- Styling a fireplace
- British-made lighting

Little Black Book

Inside resources loved by
the design cognoscenti

Happiness found
from gloriously rambling rectory to seaside haven

Jenny Blanc

Interior designer Jenny Blanc has a stellar client list both in the UK and in the Caribbean; less well known is her eponymous shop. We could spend hours browsing the range of carefully selected pieces from tableware, to lamps, to mirrors, and smaller items of furniture... The design studio is based here and offers full project and room-by-room design.
59 High Street, Teddington,
Middlesex, TW11 8HA
